

Register vehicles

By registering vehicles and golf carts with Public Safety Department, the office is able to identify if a particular auto or golf cart is authorized to drive/park on island
(Forms can be obtained at the Public Safety Department)

In order to receive an electronic vehicle decal:

Residents

1. Fill out the 3rd page of the Unit Occupancy Registration Form related to vehicle information
2. Provide a valid driver license and the membership card if applicable
3. Provide the vehicle registration, which ownership and address on the registration should match the address on Fisher Island; otherwise, provide the documents showing the relationship between the information on the vehicle registration and the unit owner on F.I.

Resident's employees

1. Resident Registration Form signed by the resident
2. Provide a valid driver license
3. Provide a valid vehicle registration

Fisher Island employees

1. Fisher Island Employee Registration Form with the approval required to drive on Fisher Island or to park on the Employee Parking Lot (Mansur/A-27)
2. Provide a valid driver license
3. Provide a valid vehicle registration

In order to maintain an active vehicle decal, you must provide Public Safety Department with the vehicle registration each time it is renewed.

Register Golf Carts

(Forms can be obtained at the Public Safety Department)

In order to receive the golf cart decal:

Residents

1. Fill out the Resident Golf Cart Registration Form
2. Provide a valid driver license
3. Provide the information related to the golf cart being registered
4. Sign a copy of the "Guide Lines for the Safe Operation of the Golf Carts", acknowledging the same

Vendors/Contractors
